## **Pre-Race Instructions and Clearance To Race Forms**

**2026**

## **Oceanside to Atlantic City**

## **Introduction**

Welcome to Oceanside, California. The days leading up to the race start are a busy time with check-in, self-inspections, photos, and various meetings for racers and crew. The information in this document will help you navigate all that is required before you will be cleared to race, and includes all the necessary forms you must print, complete, and submit to the RAAM office. Please review this information carefully and follow all instructions to ensure your pre-race goes smoothly and is stress free.

### **Scheduling Check-in & Photos Session**

Prior to arriving in Oceanside, you must schedule your time for your check-in at the RAAM office and your photo session through the RAAM website. It is recommended that you do this as soon as the schedule is made available in January, in order to ensure you are able to select times that work best for you.

**Check-in** will take approximately 15 minutes. The Crew Chief must be present. All pre-race forms and documents will need to be turned in at this time. Please be prepared.

**Photos** will be 10 minutes per Solo/Team. All Racers must be present. The Crew may also be present if you would like photos of Racers and Crew. This is also a good time to go to the RAAM Store for Finisher Jersey Sizing. (Finisher Jersey Sizing is required.)

**Inspections** are no longer required to be scheduled. All racers/teams will be expected self-inspect their support vehicles and complete the inspection forms included in this packet. The completed forms will need to be turned in with the **Clearance to Race Checklist**.

Scheduling Check-in and Photos are done online at:

**On the RAAM Website in the Racer Login Area**  
**[https://www.raceacrossamerica.org/orsnew/ors\\_Login/](https://www.raceacrossamerica.org/orsnew/ors_Login/)**

When you do your online scheduling, you must include your Racer/Team Name.

We will monitor the schedule to ensure everyone is getting scheduled. Do not double-book as that impedes others getting available times.

DO NOT SCHEDULE before January 1st. All appointments made before January 1st will be removed.

If you need help with this tool, please contact the RAAM Office – [info@raceacrossamerica.org](mailto:info@raceacrossamerica.org)

## Schedule Form

This form is provided to help you know when and where your Team is supposed to be during the pre-race preparations. It is recommended that you print this page, and keep with your pre-race documents. The complete schedule for all events at the start line is in the GEAR Book and will be available online. The Schedule will list when, and where, all events take place. It will also list the times the RAAM Store and Race Office is open.

We will have several **required** meetings for Crew Chiefs to ask further final questions. These times are documented in the GEAR Book

**Instructions:** Once you schedule your times for Check-in and Photos write your times here so you don't forget.

**Check-in Date & Time (15 minutes) (required)**

# Pre-Race Time Penalties

## **Show Up On Time!**

The Race Staff has to accommodate more than 100 race entries - Solos and Teams. This accounts to more than 350 Racers, 1000+ Crew, 200+ vehicles and 500+ bicycles. Our time is valuable, your time is valuable and all other Racers' time is valuable. Respect our time and we will respect yours.

Time Penalties will be assessed for being late or not being ready. These penalties will not count towards disqualification status, but they will be added on to your overall time.

You must comply with the following or incur a **1-hour penalty** for each infraction:

- Be On Time for Check-in
- Be Ready at Check-in, with all forms and documents complete and organized
- Be On Time for the Photo Session, with all Racers present

You must comply with the following or **you will not start the Race:**

- 1. All Crew Chiefs or Designee MUST attend one Crew Chief Meeting**
- 2. Individual Team/Racer Media members MUST attend the Media meetings after the Race Meeting. This is only for Teams/Racers with their own media crews**

# **Guidelines for Vehicle/Bicycle Self Inspections**

All vehicles engaged in racer/team support, both on and off course must display Race Across America issued race signage, including RVs. Three sets of race signage are included with your entry fee. If you will be using more than three vehicles, additional race signage **MUST** be purchased from the RAAM store prior to arriving in Oceanside. The deadline to purchase additional signage is April 15<sup>th</sup>.

## **Self-Check**

For the 2026 race, there will be no formal vehicle/bicycle inspection conducted by a Race Official. Officials will be doing on-course inspections. We ask that all racers/teams conduct a self-inspection using the Inspection Forms included. You will turn these completed forms in with your final Clearance to Race Checklist.

Before you can complete your self inspection, you **MUST**:

- Be checked-in at the Race Office
- Picked up your racer packet
- Apply all signage to your vehicles and bikes

## **Vehicle Inspection**

Proper lights, sign placement and clear window visibility for the driver of any vehicle used to follow a racer. The second seat rear passenger windows must be clear on the right side for giving handoffs to racers. If you have an extended van, the remaining third and fourth seat rear windows may have signage on the windows.

## **Bike Inspection**

Follow Bicycles Rules (Section 6) from the RAAM rules. Make sure reflective tape and proper lights are installed and working on your night bike. Make sure you have spare batteries to last all night. All spare wheels and spare bikes must be outfitted with the proper safety equipment. Bike number tags need to be affixed to the bike and visible. We recommend attaching these tags to the seat post.

## **Race Official Guidance**

A Race Official will be on hand at Harbor Lot 1 to answer any questions regarding vehicle and bicycle set-up during hours that the Race Office is open. Once the race has started, penalties will be assessed for improper vehicle and bicycle set-up. Officials will be inspecting vehicles and bicycles on the road, during the race.

## Most Common Errors

Leading causes of improper vehicle/bicycle set-up:

- Support van windows blocked by too many signs. See diagrams in later in this packet for acceptable placement locations on the vehicle.
- Rear amber flashers must only be visible from the rear.
- Reflective tape and lights mounted on all bicycles. Spare wheels must also have reflective tape. Spare batteries and chargers must also be inspected.

## Guidelines for Vehicle and Bicycle Setup

This section represents a start for setting up a vehicle to race in RAAM or RAW. This doesn't cover everything you might want to consider, especially for interior set-up.

What this section does cover is what is required by RAAM or RAW rules and what is required to pass vehicle inspections.

### Sign Locations

You will get the allotted sets of vehicle signage (one for each support vehicles). If you have more than the allotted vehicles, you will need to purchase additional signage kits. Vehicle Signage must be the signage provided by RAAM. No "outside or homemade" created signage will be accepted. For each vehicle you will receive the following:

- 1 reflective "CAUTION BICYCLES AHEAD" sign (to be affixed on rear)
- 4 personalized Racer Number signs (one each to be affixed to front, rear and both sides)
- 1 "RACE ACROSS AMERICA" or "RACE ACROSS THE WEST" windshield decal
- 2 "Race Coverage" signs (one for each side)

NOTE: You must bring your own D.O.T.-approved reflective triangles for the rear of your support vehicles or purchase one in the online RAAM store on the website.

The personalized Racer Number signs will include the Racer or Team name and Racer Number. Four of these numbers will be displayed on each vehicle – one per side. The numbers are laminated with plastic and affixed with contact paper. Signs should be affixed as follows:

- One on each side of the vehicle at the door
- One on the **upper left** of the rear window
- One on the **center** of the front hood of the vehicle

This set of pages will demonstrate and describe where and how to place these signs.

### Tips

- For any signs placed on vehicle paint, it is recommended that you first apply clear contact paper to your vehicle and then apply the vehicle sign. Contact paper is much easier to remove.
- The windshield decal is die cut so they are a little more difficult to apply. To apply these signs:
  - Remove the backing material
  - Line up the sign where it will be placed, usually on a window
  - Apply the sign to the location. For the windshield sign, start from the

- center and move outward.
- **IMPORTANT:** Take a credit card and rub the sign several times to ensure all the letters stick to the surface. This will make removal of the cover material much easier
- Carefully peel back the cover material
- The display of the CAUTION BICYCLES AHEAD decal on the rear of the vehicle can either be one line:

CAUTION BICYCLES AHEAD

Or stacked:

CAUTION  
BICYCLES  
AHEAD

- We recommend putting clear contact paper directly on the vehicle surface, then placing the sticker on the contact paper. This will make the removal of the stickers much easier. **DO NOT** apply the decal directly on the vehicle.
- During the race, if signs start to peel off, cover the edges with clear contact paper.

### **Rear of the Vehicle**

The rear of the vehicle is the most critical and most visible part of the vehicle. With many Racers using rear mounted bike racks, limitations on space are becoming critical.

The Racer Number sign must be mounted on the upper left of the rear window of the vehicle as illustrated in the photos that follow.

If you do **NOT** have a rear bicycle rack, you can mount the CAUTION BICYCLES AHEAD decal anywhere.

In general, you want to keep the rear window as clear as possible – both inside the vehicle and outside the vehicle.

### **Rear Bicycle Racks**

If you have a rear bicycle rack, you must mount the CAUTION BICYCLES AHEAD decal on the right side of the rear window in the stacked formation.

CAUTION  
BICYCLES  
AHEAD

Your vehicle taillights and license plate must be visible. If you have disk wheels or deep profile rims and your taillights are not visible, you must remove those wheels or put on normal wheels when mounting your bike on the rear rack.

The Slow Moving Vehicle triangle must be visible – **bikes and wheels cannot block the visibility of that triangle**. The triangle must be mounted on the outside of the bicycles and rack.

## Front Sign Locations

## Signs

- Racer Number sign on hood on vehicle
- “RACE ACROSS AMERICA”/”RACE ACROSS THE WEST” sign across top of windshield.

## Side Sign Locations

### Signs

- Racer Number sign on front doors (driver and passenger)
- “Race Coverage” sign on side windows

This application of signs will be the same on both sides of the vehicle.

When you apply the “Race Coverage” signs, make sure to maintain as much visibility as is practical. On the driver’s side, this isn’t much of an issue. On the passenger side, make sure the driver can still see out the side windows. These signs should be small enough not to be an issue, but you should always check for yourself.

## Rear Sign Location (No Bike Rack)

Here are several possibilities:

### Signs

- Racer Number sign on upper left rear window
- “CAUTION BICYCLES AHEAD” sign
- Slow Moving Vehicle triangle.

All are very visible and easy to see.

## Rear Sign Location – With Bike Rack (Incorrect)

Here are some examples of what NOT to do:

You can clearly see the problems with both of these:

- The Slow Moving Vehicle triangle is blocked in the photo at the right
- The “CAUTION BICYCLES AHEAD” sign is blocked in both photos
- If the front or rear wheels were deep section or disc wheels, the vehicle lights would be blocked.

## Rear Sign Location – With Bike Rack (Correct)

In the picture below:

- The Slow Moving Vehicle triangle is clearly visible and on the outside of the bicycle
- The Racer # sign is in the upper left area of the rear window and clearly visible
- The “CAUTION BICYCLES AHEAD” sign is in the upper right area of the right window, stacked and clearly visible

# Window Visibility

Driver must have 360-degree visibility with windows or mirrors.

Clear rear window. Driver must be able to see approaching vehicles.  
Rear rack must not cover signs.

## Final Reminders on Support Vehicle Rules and Setup

All rules for Support Vehicles are in the RAAM/RAW Official Rules and you must read those completely. The following are reminders and only cover a portion of the rules.

The Vehicle Inspection Forms in the Clearance To Race Forms will also help with vehicle setup and knowing what Race Officials will be looking for when inspecting your vehicles:

- No extensions beyond 36 in of (front) bumper
- Re-settable odometer
- No wider than 80 in not including mirrors
- No taller than 88 in
- No longer than 244 in
- Additional driving lights are not allowed over windshield.
- Bike racks and bikes on rear should not obscure signs or vehicle lighting
- Dashboard Protocol displayed on the dash of every vehicle

\*The small and medium sized Sprinter Vans and Ford Transits with side and rear windows are permissible.

## Bicycle Setup

Every bicycle must have reflective material applied to various parts of the bike for visibility. (See the Rule Book for specific locations and amount) Every bicycle must also have front and rear lights.

We recommend 3M Reflective Tape. We understand that cranks can be narrow. We want the reflective tape to be as wide as possible on those areas.

For wheels, the easiest place to put reflective material is on the spokes. Reflective tape can also be applied to the rims. However, tape should NOT be applied to the braking surfaces.

**HINT:** Consider putting electrical tape or clear contact paper on the bicycle frame or fork and then applying reflective material to these materials. Electrical tape and clear contact paper are easier to remove than reflective tape. Reflective material must remain in place for the entire race.

# Clearance To Race Forms

These forms will help your pre-race organization and the process of getting everything done at the start before the racers depart. The forms are broken down into sections with instructions for each.

**You MUST bring your Pre-Race Forms to the Start. If you lose them or forget them, there will be a fee of \$100 for replacing them.**

## At the Start

When you arrive at Oceanside, check-in at the RAAM Start Office in the Harbor Lot 1. You must check-in and pick up your racer packet, which includes signage, route books, etc., before your inspection. Be sure to attach all racer numbers and signage to all your Support Vehicles, bicycles and bike helmets *before* self-inspection. If you are using an RV as a Support Vehicle, it must also have all racer numbers and signage attached and it must be inspected as well.

Check-In and racer package pick-up starts Saturday, June 13th at 2:00 pm. It is highly recommended that the Crew Chief pick-up all materials should RAAM Office staff have questions or new information to convey.

**All racer packets must be picked-up by 4:00 pm on Sunday, June 14 (RAAM Solo/RAW racers) or by 3:00 PM on Thursday, June 18 (RAAM Team racers).**

## What's Here

All forms are included:

- Pre-Race Forms Cover Page
- Clearance to Race Checklist
- Checklists for all necessary documentation
- Proof of Age
- Vehicle Insurance Agreements Form
- Driver's License Agreement Form
- Vehicle Inspection Form
- Equipment Inspection Form
- RAAM/RAW Waivers Form
- San Diego County/Arizona State Waivers Form
- Dashboard Protocols (for Vehicle Self-Inspection)

All forms are also available on the website under Race Resources. You should make additional copies of any forms as needed.

We will not have extra copies.

## Valid U.S. Phone Numbers

You must have at least two US phone numbers or US-based satellite phone numbers, with internet and text message capability, during the race at which we can reach you.

## Check-in Location

Check-in is located in Harbor Lot 1. The address is 498-100 Riverside Drive, Oceanside, CA 92054. The directions to the check-in location from the Oceanside Pier are as follows:

1. Head north on the Strand toward Surfrider Way.
2. Turn right on Surfrider Way
3. Turn left on N. Coast Hwy. (County Hwy. S21)
4. Turn left on Monterey Dr. (first left after crossing bridge)
5. Sharp left on San Luis Rey Dr. (becomes Riverside Dr.)
6. Inspection Lot will be on the left.

**You must print the following pages and bring the completed packet and all documents to turn-in to the RAAM office in Oceanside when you check-in and pick up your racer packet.**

## Vehicle Insurance Agreements

**Number of Vehicles:** \_\_\_\_\_

### Instructions

- Fill out and sign the Vehicle Insurance Agreement Form
- Insert copy of proof of insurance (or rental agreement) for **every** vehicle, including RVs, to be used as Support Vehicles during the race

Proof of Insurance can be in several forms:

- A rental agreement with verification of acceptance of Insurance Coverage provided by the rental agency
- If using insurance provided by your credit card, you must be able to show the insurance coverage provided by the credit card AND that it's the same credit card to which the rental vehicle is being billed
- A personal insurance policy for a personal (non-rental) vehicle

# Vehicle Insurance Agreement

In consideration of the acceptance of my participation in the Race Across America/Race Across the West, I hereby affirm that each motorized vehicle listed below to be used in the event is covered with at least the minimum insurance requirement per the state of vehicle registration. For each vehicle a copy of the proof of vehicle insurance (or rental agreement) is included.

## Vehicle Self-Inspection Forms

Number of Vehicles: \_\_\_\_\_

### Instructions

- You need one Form for every four (4) vehicles to be used during the race, including personal Film/Media vehicles.
- Make additional copies as needed.

Consult the Instructions section for recommendations for sign placement.

**NOTE:** RAAM Vehicle Inspections are not intended to certify the fitness or road-worthiness of the vehicle. The inspection is done only to determine whether the racer and crew possess the appropriate safety equipment for the race and meet all rules.

**NOTE on AMBER LIGHTS:** Be sure to check visibility of your lights at night before coming to the race. During the race, if a Race Official assesses your lights to be too bright OR too dim, a Race Official will request modification to ensure visibility.

# Athlete's – Participant's Waiver – Release Form

County of San Diego

DPW / Transportation Division, Special Event Permits  
5510 Overland Ave., Ste 410, Rm 470 (MS0334), San Diego, CA 92123-1239  
Phone (858) 694-3850 Fax (858) 694-3928

**This is a contract with legal consequences. I have been advised to read it carefully before signing.**

**1. I hereby waive, release and discharge** for myself, my heirs, legal representatives, executors, administrators, assignees, and successors in interest (collectively referred to as "Successors") any and **all rights and claims for damages**, injuries, expenses or costs of any kind which I have now or may acquire in the future that are directly or indirectly related to my participation in or association with the Event (collectively referred to as "Claims"), **against the County of San Diego**, law enforcement agencies, the sponsors, organizers and any promoting organizations for this Event, and their respective agents, officials, and employees (collectively referred to as the "Released Parties"). The waived, released and discharged Claims include claims arising from the Released Parties' own active or passive negligence.

**2. I acknowledge and fully realize the dangers of participating in a athletic event and fully assume the risks associated with participation including**, by way of example and not limitation, the following: the dangers of collision with pedestrians, vehicles, other participants, and fixed objects; the dangers arising from surface hazards, equipment failure, inadequate safety equipment, the **Released Parties' Own Negligence**, weather conditions; and the possibility of serious physical and/or mental trauma or injury

associated with athletic events.

**3. I agree it is my sole responsibility to be familiar with the course and any special regulations for the Event.** I understand and agree that situations may arise during the **Event** that are beyond the immediate control of Event supervisors and organizers and I must continually participate so as to neither endanger myself or others. I accept responsibility for the condition and adequacy of my equipment. For bicycle events I will ride wearing a helmet that satisfies requirements of the U.S. Cycling Federation's Racing Rules capable of protecting against serious head injury. I assume all responsibility for the selection of the helmet. I have no physical or mental condition, which to my knowledge, would endanger others or myself if I participate in this Event, or would interfere with my ability to participate in this Event.

**4. I agree for myself and Successors** that the above **representations are contractually binding** and are not mere recitals, and that should I or my Successors assert a claim in contravention of this agreement, the asserting party shall be liable for the expenses (including legal fees) incurred by the other party or parties defending, unless the other party or parties are finally adjudged liable on such claim for willful and wanton negligence. This agreement may not be modified orally. Waiver of any provision of this agreement is intended to be severable. If one or more provision is found to be unenforceable or invalid, the remaining terms and provisions shall remain binding and enforceable.

## VOLUNTEER AND/OR PARTICIPANT SIGN-IN AND WAIVER OF LIABILITY

By signing this form I agree to act as a volunteer and/or participant and to be bound by the terms of the waiver of liability below. In consideration of my desire to serve as a volunteer and/or participant for the 2026 Race Across America Event sponsored by Race Across America, Inc.; I hereby assume all responsibility for any and all dangers or risk of property damage or bodily injury that I may sustain while volunteering and/or participating. Further, I hereby release, indemnify, hold harmless, waive and discharge Yavapai County, their Boards, Council, officials, employees, volunteers and agents from any and all claims asserted by anyone arising from out of any injury or accident I suffer, actions, losses, liabilities, costs, damages, or expenses, including but not limited to court costs and reasonable attorney's fees arising out of bodily injury or death, or tangible or intangible property damage, which I or my spouse, children, heirs, executors, successors or assigns ever may have in connection with such volunteer efforts, or my participation therein, and hereby waive all such claims, demands and causes of action. Further, I expressly agree that this release and waiver is intended to be as broad and inclusive as permitted by **the State of Arizona**, and that if any portion is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect. I have read, reviewed, understand, and agree to this waiver of liability.

## **DASHBOARD PROTOCOL**

### **(During the Race)**

- **Display on the dash of all support vehicles.**
- **Turn on headlights at all times while driving.**
- **Drive at highway speeds when not following your Racer.**
- **No slowing to talk to the Racer during leapfrog support.**
- **No vehicle handoff in leapfrog support zones.**
- **When stopping, keep the vehicle completely off the roadway (5 feet to the right of the driving lane).**
- **When following your Racer stay as far to the right of the traffic lane or on the paved shoulder as possible.**
- **On narrow twisting roads, allow following traffic to pass. You must pull off the roadway and stop at a safe pullout area. At night the rider must stop also.**
- **Dim your head lights for approaching or passing traffic.**
- **Your hazard lights and amber roof lights must be turned on and your slow moving triangle and Caution Bicycles Ahead sign must always be visible when following your Racer.**
- **Courtesy is Faster Than Controversy. Wave to passing motorists. Yield to fast wide trucks. A safe race is a fast race.**
