

TEAM-KABIR RACHURE [#610] RAAM-2026

Dear All,

Please find the team details and the primary and secondary duties for the each member. Apart from the duties that are assigned it is essential that everyone knows the Race Rules and how to navigate as per the Route Book and GPX. Kabir and I have had opportunity to work with most of the team over the years and we are confident that the team is very much capable of handling the duties that are assigned to them. Lets do our best and try and save every minute that we can.
